

HOW DO I MAKE A REFERENCE LIST WHEN I AM IN YEAR 3?

When you are using a resource is the time to take note of the information you need to write your reference list.

IF YOU ARE IN YEAR 3

You should write a Thank You Page to thank the writers of the resources you use. It should look like this.

THANK YOU

J. Smith for the book I want a dog.

For the website How to care for your dog.

From _____ Write your name here.
