

## HOW DO I MAKE A REFERENCE LIST WHEN I AM IN YEAR 4?

**Remember to thank the writers of the resources you use.**

As soon as you use a source of information write the author's name and the title of the books or if you use a website, then the title of the website and the address of the websites you use.

If you use more than one resource then make a list of them.

### YOUR REFERENCE LIST SHOULD LOOK LIKE THIS.

Dog Care. <a href="http://www.rspca.org.au/learn/dogs/dog-care">http://www.rspca.org.au/learn/dogs/dog-care</a>
Dog image from World Book Kids.
